Article ID: **4164**
Subject: **Pro Gold i2 Check and Deposit Slip Specifications**
Last Modified: **March 13, 2012**

Applies to: **Pro Gold i2 3.xx**

Issue: Pro Gold i2 has the ability to print checks and deposit slips from the program. In order to utilize these features, specific check stock and deposit tickets must be used.

Resolution: Check Stock and Deposit Slips compatible with Pro Gold i2 are listed below:

- **Check Stock**

    - Pro Gold i2 utilizes Computer/Laser Voucher Checks. These are 3-part checks that have the check at the top or middle of the page and 2 vouchers stubs on an 8 ½" x 11" page.
    - Taro Systems preferred vendor: **Dynamic Systems**
        - **Link to preferred vendor site:** www.dswebtoprint.com/taro
        - **Guaranteed compatibility with Pro Gold i2**
    - This style of checks can also be ordered from most suppliers of Computer/Laser Checks in the voucher style
        - **Note**: Check vendors can be located through a search engine online (For example, search for QuickBooks checks on www.Google.com)

- **Deposit Slip/Ticket**

    - Deposit Slips/Tickets can be printed directly from Pro Gold i2 onto Laser Deposit Slip/Ticket forms with the Deposit Slip/Ticket at the top of the page.
    - Taro Systems preferred vendor: **Dynamic Systems**
        - **Link to preferred vendor site:** www.dswebtoprint.com/taro
        - **Guaranteed compatibility with Pro Gold i2**
    - These forms can also be ordered from most check supply vendors
        - **Note**: Check vendors can be located through a search engine online (For example, search for Laser Deposit Slips on www.Google.com)

- **Misc Supplies**

    - Envelopes, w2, 1099 Misc forms, banking supplies are available from **Dynamic Systems**
