Subject: How to Setup the MLS Feed to Run Automatically (Type C Feeds)
Last Modified: July 7, 2010
Applies to: Pro Gold i2 3.xx

Summary: The Pro Gold i2 MLS Feed brings information from the local MLS board into Pro Gold i2. This feed can be run manually or setup to run unattended where it will automatically bring the updated information from the MLS into Pro Gold i2. This is only available for Type C MLS feeds.

Procedure: Actions to setup the MLS Feed to run unattended in the Pro Gold Utilities Task Scheduler.

- Step 1:** Right click on the **Pro Gold Utilities** icon (**Red Paper clip**), located in the **System Tray** in the bottom right corner of your screen
- Step 2:** Select the **Launch Utilities** option to open the **Pro Gold Utilities** screen
- Step 3:** Select the **MLS Interface** option
- Step 4:** Select **Task Scheduler** icon
 - a. If a task is already in the task scheduler, either modify the task or delete it and enter a new one (Make sure there is not more than one task scheduled at the same time)
- Step 5:** Use the dropdown to select the Server and Database to add the task to
- Step 6:** Click the **Add Task** button
- Step 7:** Enter the **Task Name** as **MLS Interface**
- Step 8:** Use the dropdown in the **ProGold Task** field to select **MLS Feed** option
- Step 9:** Enter the MLS Feed Code/Board ID in the **Parameters** field (See **Possible Issues** section below for information where to find the MLS feed Code/Board ID)
- Step 10:** Leave the **Run As** and **Password** fields blank
- Step 11:** Select the **Schedule** Tab
- Step 12:** Verify that the **Schedule Task** field is set to **Daily**
- Step 13:** Select a **Start Time** for the MLS Import to run (See **Possible Issues** section below for **Start Time** recommendation)
- Step 14:** Set the **Schedule Task Daily** field to every "1" days
- Step 15:** Click on the **Save and Exit** button to reset the **Next Run** date to tomorrow
- Step 16:** Click the "X" in the upper right corner of the screen to close the **Task Scheduler**
- Step 17:** Close the **Pro Gold Utilities** screen

Possible Issues:

- The MLS Feed Code or Board ID is needed to schedule the MLS Import to run unattended:
 - Login into Pro Gold.
 - At the **Main Menu**, select the **MLS Interface** option
 - Select the **Import / Export Utility** icon
 - The MLS Feed Code along with your feed name will be listed in the **Select from below** field
- When setting the **Start Time** for the MLS Import Task, be aware of the time that the MLS Board makes new information available through their data feed. Typically, 6:00 AM is okay for most feeds.
